

# PLAYER MAP X-RAY

PMX enables you to see Player Maps for the top projects on your forecast

1. Click link on the Account or Opportunity page to instantly see your Player Maps

\* Only 1 click and you see the Player Map you want to see

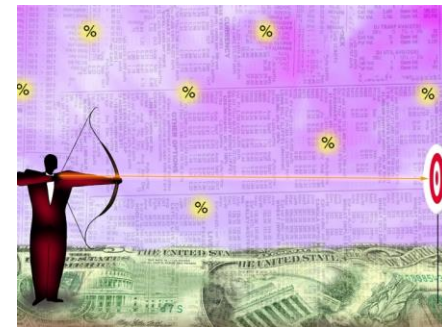

2. See bridges & Champions on Player Map to double-check your forecast accuracy

\* If bridges are weak or no Champion your win-rate is at risk

3. Message your coaching tips or comments and PMX immediately e-mails the team

\* Quickly collaborate on the top projects on your forecast

4. Pair your forecast with the Player Map to help increase win-rate on top projects

\* Use PMX to manage Player Maps on your Top 3 projects
