

PLAYER MAP X-RAY

PMX enables you to instantly view, edit & message Player Maps

The screenshot displays the 'Vista' account page in the Player Map X-Ray application. The top navigation bar includes 'Accounts', 'Contacts', and 'Player Maps'. The account name 'Vista' is prominently displayed with social media icons for Twitter, Facebook, and YouTube. Below this, the 'Account Detail' section shows the account owner as 'Player Map' and the account name as 'Vista'. A list of 'Player Maps' is shown, with four entries: 'Vista, Project 2, Price, Close Date, 02/23/2015 11:57 AM by Player Map', 'Vista, Project 3, Price, Close Date, 02/23/2015 11:56 AM by Player Map', 'Vista, Project 2, Price, Close Date - Rename, 02/23/2015 08:25 AM by Scott Leland', and 'Vista, Project 1, Price, Close Date, 02/17/2015 11:38 AM by Player Map'. Each entry has 'Edit' and 'Del' links. A 'View' link is also present for the third entry. A 'New Player Map' button is located above the list. Below the list, there is a 'Shared with 1 other' section with a 'Following' button and a text input field for messages. Two messages are visible: one from Phillip dated 02/14/16 and one from Elizabeth dated 02/14/16. On the right side, there are vertical buttons for 'Map' and 'Messages'. Annotations with blue arrows point to the 'Links' section, the 'Team View' section, the 'View' link, the message input field, and the 'Edit the Player Map' section.
