

# PLAYER MAP X-RAY

## PMX communicates your action items, notes & updates to drive team collaboration

### 1. Enter action items, notes & updates

While you are looking right at the Player Map, use Messages to save you time e-mailing later

\* Click "Messages" tab on the right side of the Player Map window to open the message board – click "Map" to return

Shared with 1 other Following

Excellent. Keep me posted if I can help.
