

PLAYER MAP X-RAY

PMX makes it easy to share + edit strategic Player Maps

1. Create the Folder

* Name folder your name, company or the project

You can create up to **40 folders** to share strategic Player Maps

2. Move Player Map

* Under Action menu for *Player Map* you move

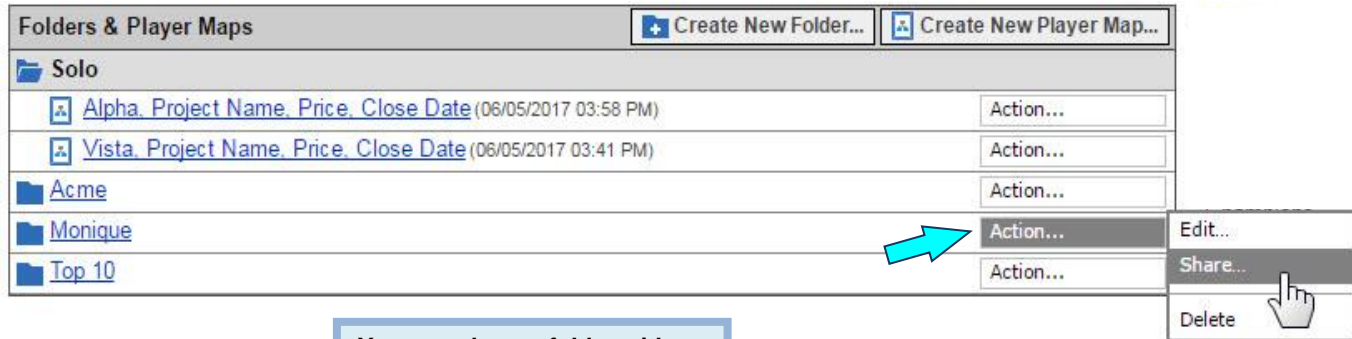

Move the Player Map to the folder that you want to share

- ✓ [After sharing use Team Edit](#)
- ✓ [After sharing brainstorm Plan](#)
- ✓ [Attach Quali-5 to Player Map](#)

If questions, ping us at pmx@playermap.com or 1.414.921.2550

3. Share the Folder

* Under Action menu for the folder you share

You can share a folder with up to 40 people who are on PMX

4. Add your Team

* Person must be set up on PMX to share folder
