# PLAYER MAP

Adding the Player Map Tab to Salesforce
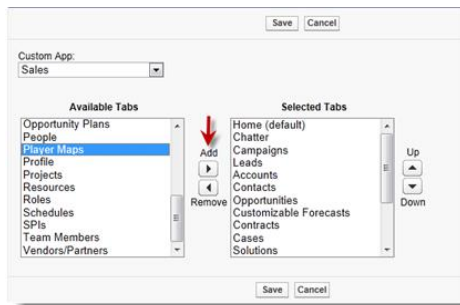

1. From the home page, click on the **plus sign** (i.e. **+**) on the far right side of the top navigation bar.

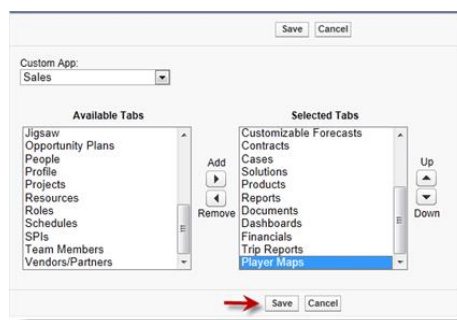

2. Click on **Customize My Tabs**.

3. Locate Player Maps in the **Available Tabs**. Highlight and click **Add**.

4. Once Player Maps is moved over to the **Selected Tabs**, click **Save**.

✓ The Player Maps tab should now be located on the navigation bar.
